THE COTTON ORDINANCE
(CAP. 362)

RULES

Under section 47

THE COTTON (AMENDMENT) RULES, 1964

1. These Rules may be cited as the Cotton (Amendment) Rules, 1964, and shall be read as one with the Cotton Rules, 1957.

G.N. 1957
Nos. 196
and 318
G.N. 1960
No. 143

2. The Cotton Rules, 1957 are hereby amended as follows: —

(a) by the addition of the following paragraph 8A: —

“8A.—(1) All Cotton seed stores, cotton buying posts, ginneries or other premises where cotton seed is stored shall, on or before the first day of June in each year be cleansed in the manner provided in the Fifth Schedule hereto.

(2) If at any time, following an inspection, any cotton seed store, cotton buying post, ginnery or other premises where cotton seed is stored is found to be, or is suspected of being, infested by pests or disease, an agricultural officer may order that such premises be cleansed in the manner prescribed in the Fifth Schedule hereto, and may, in addition require the owner or occupier of such premises to take such further measures as the agricultural officer may think fit for the eradication of the pests or disease.

(3) Any owner or occupier of premises who fails to comply with this Rule shall be punishable on conviction with a fine not exceeding one thousand shillings.”

(b) by the addition of the following Fifth Schedule: —

FIFTH SCHEDULE

CLEANSING OF COTTON SEED STORES

- (a) Remove all seed and debris from inside the store or buying post and thoroughly clean the floor by sweeping.
- (b) Clear the grass and other vegetation from an area ten yards in depth all round the outside of the store or buying post and remove all seed and debris from this area.

G.N. No. 236 (contd.)

(c) Burn the seed and debris collected from inside and outside the store or buying post.

(d) Spray the inside floor and walls, the outside walls and the cleared area surrounding the store or buying post with insecticide. (A 2-3 per cent solution of gamma-Benzene-hexachloride (B.H.C.) is recommended for this purpose).
